Dear Walter:

Sue and I were thrilled to have you in our home during the recent Bible Teachers' Workshop. We would love to have seen Mary and the children but can well understand the reasons they couldn't accompany you. We were so happy to hear that all of you had arrived safely in Brasil. I know that the next three years are going to hold many great opportunities for service in the kingdom in that country.

The group of which you are such a significant part has certainly taught the brotherhood many valuable lessons about mission work. I am thrilled by the reports that we receive constantly about activities in Brasil. It was such a thrill to recently become acquainted with Glen Owen and to hear his report about World Radio in connection with the Brasil work.

I count you one of my closest friends and appreciate so much your kind words of encouragement. We will be praying for you and your family and invite you to do the same for us.

Faternally yours,

John Allen Chalk

Dear John Allen:

I appreciated so much your inviting me into your home to enjoy the few hours together discussing our work in Brazil and your work with Herald of Truth and in general just reminiscing. It brought back memories of pleasant times in Ohio, and I want to thank you and Sue from the bottom of my heart.

We arrived back in Brazil on August 17 and have been busy getting things squared away again for another three-year stay. We found everyone in good shape and very enthusiastic about the future possibilities of our work here. Jerry and Barbara are doing a real fine job with the Central church here in Sao Paulo. Last week they had a record crowd of 60 in their services. This congregation is only about two years old. The rest of the gang that know you personally send their regards.

I appreciated so much your very fine attitude toward your work with Herald of Truth, and I know that if you keep the attitude of wanting to serve wherever you are that you will be a success in this work. I hear only complimentary remarks about your work. Keep up the good work, buddy.

I just wanted to drop you a line and once again I say thank you for the enjoyable time I had in your home. Write me when you have time, and May the Lord continue to bless you and yours in your service to Him.

Fraternally,

Walter
